Bible Exploration: Moses Leads Gods People in the Wilderness

The Crossing of the Red Sea; Food & Water in the Wilderness; God uses
Moses to defeat the Amalekites; God gives the 10 Commandments

Tonight we finished up our unit on Moses exploring several stories
which showed how God helped Moses to lead the Israelites in the wilderness,
and how God showed his power to protect His people when facing difficult
circumstances. Below are the stories which the children heard tonight with
corresponding Bible references.

The Crossing of the Red Sea: Exodus 14: 1-31

Food & Water in the Wilderness: Exodus 16: 1-15; Exodus 17: 1-7

God uses Moses to defeat the Amalekites: Exodus 17: 8-13

God Gives Moses the 10 Commandments: Exodus 19: 9- 20: 21

The children explored how God acted in each story to help protect
Moses and the Israelites. God continues to do this with his people today. God
calls us to trust that God will guide us and protect us as we serve Him.
Sometimes we may seem overwhelmed with the challenges that God puts
before us, but nothing is too difficult for God. If we turn to God, God will lead
us and protect us and help us with the challenges of life.

Key Verse

“The Lord is good; He
protects his people in
times of trouble;
He takes care of those
who turn to him”
Nahum 1:7 (TEV)
